**Von Max Freedom Long : The Secret Science Behind Miracles (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secret Science Behind Miracles (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Klassiker des HunaVon eliancorWenn Longs Werk auch etwas von den Lehren der Huna-Schamanen abweicht, so war er doch der Pionier des Huna auerhalb Hawaiis. Auf jeden Fall sollte man dieses Buch gelesen haben, es ist weniger ein Praxisbuch, aber das theoretische Wissen ber die Entdeckung dieses alten Weges ist nicht uninteressant und

zwischenfindet man so manche Perlen, die Anregungen für eigene Forschung geben.

**Kurzbeschreibung**This report deals with the discovery of an ancient and secret system of workable magic, which, if we can learn to use it as did the native magicians of Polynesia and North Africa, bids fair to change the world ... provided the atom bomb does not make all further changes impossible. Union is strength, prosperity, and safety. The High Beings ruling the ants and bees demonstrate this. Rugged individualism and disunion, as demonstrated by preying animals who eat other animals, and are in constant danger of being eaten, represent the stage of growth in which the hard lessons of life under Free Will must be learned. Following that stage comes the one which we have been missing so long; the stage in which the man returns to united and cooperative effort, still possessing his free will, but using it in the right relation to his fellows and their free will. And, above all, in the right relation to the High Selves from whence come both help and guidance.

**Pressestimmen**I made the leap into "entrepreneur" and luckily for me I met some very powerful business people who told me I needed mindset tools to help me grow into the new found wealth that would come my way. The first tool that was recommended to me was this book. It was a fascinating read but it wasn't until a few years later that I understood why a millionaire would recommend it to a fledgling entrepreneur. It created the foundation for every other book I read ..and I can tell you I read a LOT of them in my quest to be the best. Fast forward to 2012 and I now own my own direct selling company and all my entrepreneur dreams have come true in ways I never imagined that day in 1988 when I first heard about Mind set stuff! Order this book..read it several times....look for the message here.....this is a case study...not some pie in the sky self improvement "secret..".it is real stuff and it works....if you learn to harness it right! .com book review, Oct. 16, 2012
