**Von Annie Lyons : The Secrets Between Sisters** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secrets Between Sisters:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Einfach nur lieb...Von FlauschballMir hat das Buch total gut gefallen. Eine echt super liebe Story. Gefhvoll und leicht

verständlich geschrieben. Traurig, witzig, versöhnlich. Einfach nur schön. Ich fand die Figur "Lizzie" toll. Liebenswert und einfach total sympathisch. Ein schönes Buch. Mir hat es absolut gefallen.

Kurzbeschreibung A story about love, betrayal, family - Bookaholic Confessions  
If you could see me now  
Lizzie and Bea Harris were always very close. They were sisters and nothing could tear them apart. Until Bea dies, leaving her sister twelve letters, one for every month. Alone for the first time Lizzie is left trying to pull together the pieces of a life she has for so long ignored and find a place for herself out from under the shadow of her sister. But the letters are revealing a sister Lizzie isn't sure she recognises, and she's beginning to wonder if she ever really knew Bea? As Lizzie delves deeper into her sister's life she begins to uncover secrets that could tear her and her family apart. Perfect for fans of Sue Fortin, Tracy Buchanan and Cecilia Ahern. What readers are saying about The Secrets Between Sisters 'A heart-warming tale with a twist' Book Chick City 'For anyone who has a sister this is an incredible story of love, grief and healing.' cayocosta72 'Such an uplifting tale full of delightful characters, it is definitely my favourite Annie Lyons novel to date so I cannot wait to hear what she has in store for us.' Shaz's Book Blog 'I thoroughly enjoyed this book and struggled to put it down. The chapters were engaging and funny, with characters that seem to bounce straight off the page and into your imagination.' Book Chick City 'Annie Lyons has proven to be a skilled and extremely talented writer with this book, it truly is something special. She hits on so many emotions all at once that you honestly don't know if you are coming or going.' The Book Geek Wears Pajamas
