Von Holger BremeThe sense of wonder wasn't so strong like in the first part of the series, but it was a lot of fun and suspense anyway. I always admire the fine language in these books (and from Tad Williams in general). Can't wait to read the third part!1 von 1 Kunden fanden die folgende Rezension hilfreich. Eine schne Fortsetzung Von Paul BinusSchon "The Dragons of Ordinary Farm", obwohl ein "Jugendbuch", war fr mich ein phantasievoll. spannendes Abenteuer und hat hier eine ebenso spannende und fantastische Fortsetzung gefunden.1 von 1 Kunden fanden die folgende Rezension hilfreich. Good Fantasy for young and not so more young adults Von LYRIELDo you miss Eragon? Go for it. What a great writers team, a wonderful story and there is more to come to. I am very much looking forward to it.

KurzbeschreibungTyler and Lucinda have been invited for another summer at mysterious, wonderful, scary Ordinary Farm, but this year something sinister is going on with their great-uncle Gideon and his unique animals, the dragons, unicorns, and sea-serpents he has rescued out of the time-rift called the Fault Line. The farm is under threat from Gideons billionaire rival Ed Stillman, and Gideons security measures include dangerous new creatures like bunyips and manticores. But all the security in the world cant protect Lucinda, Tyler, and the farm from dangers closer to home, like the witch Mrs. Needle and her son Colin, who want Ordinary Farm for themselves. The children do everything they can to keep the farm and its fabulous beasts safe, but when Uncle Gideon vanishes things quickly get worse much worse. Everything is going wrong. The farm is breaking down around them and the people who live there -- each one a stranded traveler from the past -- are terrified. The stakes have never been higher. Can Tyler and Lucinda find a way to save Ordinary Farm? Master storytellers Tad Williams and Deborah Beale create a white-knuckle tale for their second book of adventures at Ordinary Farm. Praise for "The Dragons of Ordinary Farm" A Smithsonian Notable Book for Children 2009 A Barnes Noble Personal Picks Best Childrens Book of 2009 readers will be rewarded with an exciting conclusion and many tantalizing seeds planted for future summers Booklist A gripping fantasy with realistic but appealing characters as well as scientific magic that explains the appearance of legendary creatures. Boy-girl protagonists and nonstop adventure make this a good choice for fantasy fans who will be left, like Tyler and Lucinda, looking forward to their next visit to Ordinary Farm School Library Journal The Dragons of Ordinary Farm is an exciting beginning to a new series. The plot is clever, the characters interesting and mysterious, and best of all, it has dragons! Ive long been a fan of Tad Williams, so I was delighted to learn that he and his wife, Deborah Beale, now have a book for young adults. I can hardly wait for their next page-turning adventure. Christopher Paolini Theres nothing ordinary about Ordinary Farm, a place filled with strange creatures, human and otherwise, and dangers around every corner. Readers will identify with Tyler and Lucinda and wish they were there with them. This is a rousing tale that should and will find a wide readership. Terry Brooks 'THIS IS ONE OF THE BEST BOOKS I HAVE EVER READ... A truly phenomenal book' Literacy Time Plus An unusual, engrossing story full of excitement and shocks Primary Times Extremely descriptive and exciting I couldnt put it down!
