Von Robert Avon : The Seducer's Diary (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Seducer's Diary (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An appalling but seductive bookVon RachelA friend recommended The Seducer's Diary to me. I read this book in only a few sittings. It's compulsive reading - partly as one hopes that the anti-hero will get his just desserts. In some ways he does. There is a sense that the author is playing on our own sensibilities and prejudices when Robert Avon appals or seduces us. Or perhaps he is just being brutally honest (and there is a feel to things that this book may be a piece of

non-fiction, as much as fiction). It would be wrong just to despise or ignore this book. Robert Avon is no mere pantomime villain and we must credit him with some wit and wisdom amidst his diatribes. There are also some great witty and wise quotations from other poets and philosophers too throughout its pages. I'm not sure how much we can call *The Seducer's Diary* a great book (it has its flaws), but I've never read anything like it before and Robert Avon will linger in your thoughts long after the (brilliant) last line. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Seductively Shocking Von Kate Barber *The Seducer's Diary* pulls you into Robert Avon's thoughts and mentality and uses it to both entertain and appall you as a reader. Certainly not for the faint hearted, Avon confronts you with his thoughts and accounts that are as embarrassing as they are entertaining. He switches from aggressive ranting to seductive romancing and it is very easy to form an opinion on Robert (hate or love) that will be challenged in the next chapter. It is a book that is very hard to pin down, in terms of readership and genre, and yet also seems to present something for everyone to either love or hate. It makes for very seductive reading.

Kurzbeschreibung For lovers of Jane Austen, Bridget Jones - and Lord Byron. Robert Avon is a teacher of English Literature at a sixth form college in London. Inspired by such books as Kingsley Amis' *Lucky Jim* and *The Seducer's Diary*, by Soren Kierkegaard, Robert set out to seduce Christina Clapton, an attractive and innocent colleague, and thwart the aspirations of a rival suitor, Andrew Connelly. Yet will the seducer be seduced - and become a victim of his own crimes? *The Seducer's Diary* is often funny, sometimes offensive, but always engaging. Its confessional style pulls one in despite a protagonist who often wants to lose the reader's sympathy. *The Seducer's Diary* is more than just a enjoyable black comedy, it is a literary Rorschach test for how we view the modern world and romantic love. Robert Avon is currently living in London. Endeavour Press is The UK's leading independent publisher of digital books Kurzbeschreibung For lovers of Jane Austen, Bridget Jones - and Lord Byron.
