A new discovery for meVon Ein KundeThis is my first novel by this author and it makes me eager to read more by her. I don't usually take chances on unfamiliar writers, but this time I'm glad I did. Ms. Evans Porter's writing strikes an emotional

chord and her characters climb into your head and stay there long after the last page. Kerron Cashin and Ellin Fayle are good people but not goody-goody (you know what I mean if you've read books with "perfect" protagonists, so idealized that they don't ring true). In trying to make the best of a bad situation, they reveal their faults. They even make mistakes, like humans always do. The discovery she makes about her background changes everything for the worst. Or so it seems! But it brings out the best in them. My one quibble is that the title doesn't seem to fit the story all that well. Being a marriage of convenience plot, there's definitely some steamy sex, plus this hero has a liking for erotic literature which he puts to good use. But bodie-ripping romance it isn't. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Isn't it amazing? Von Ein Kunde All the other reviewers loved this book. I hated it. I've very much enjoyed other books by this author, but this offering leaves me cold. The interesting setting held my attention for awhile, but then it faded away. The main characters are thoroughly mismatched. The hero's sudden decision to marry the heroine is completely unmotivated, unexpected and unbelievable. The minor characters were far more interesting and believable than the hero and the heroine, but they were off-stage so much, it didn't matter. If you liked Margaret Porter Evans' other books, you might want to take a look at this one. Other people obviously liked it a lot, but I did not. Isn't it amazing how tastes differ? 0 von 0 Kunden fanden die folgende Rezension hilfreich. Highly recommended! Von DGAs usual, Margaret Evans Porter delivers ... this time, a heartwarming love story about a handsome rake and the Manx woman who loves him. Ellin is one of the warmest, most sympathetic heroines I've met in a long time, and Kerron is just magnificent! If you love original settings, lovable characters, and intelligent writing, THE SEDUCER won't disappoint -- I think it's Margaret Evans Porter's best yet!

Kurzbeschreibung From highly acclaimed and bestselling author Margaret Evans Porter, the second novel in The Islanders Series a story of longing, love, and linen. After years of wandering, Kerron Cashin, Baron Garvain, returns to the Isle of Man with plans to revive the linen trade, which will restore his family's fortunes and lift his fellow islanders out of poverty. But his arrival coincides with an unexpected and tragic loss. Ellin Fayle, the tavern keeper's niece, secretly loves the young baron, who finds comfort in her arms. When their relationship is discovered by the Cashin's great enemy, Kerr does the honorable thing and makes the low-born girl his bride. Ellin, unaware that his hand was forced, believes he married her for love. To her dismay, Kerr insists that she leave her island and accompany him to London. There, she confronts her husband's notoriety and he must guard her from scandal. But a hasty marriage isn't necessarily a durable one. And perhaps only Manx magic can provide a solution when high society, family secrets, and old conspiracies pull the newlyweds apart. 5 stars! Unusual and effective...flair for detail...mysterious plot twists...lively, wonderful characters. **Affaire de Coeur** A delightful story of romance and passion set amidst the turbulent struggle to renew a fortune, and birth a new industry. **Reader to Reader** Kerron, a reformed rake, is warm-hearted, intelligent, and bursting with energy for his plans. Ellin is innocent yet wise. The pairing of these two people creates a force that can't be denied. **Rendezvous** A wonderful Regency romance that brings to life the exotic world of the Isle of Man. The lead couple is a delightful duo while the support cast adds much local color. With novels like this tale, *Kissing A Stranger*, and *The Proposal*, Margaret Evans Porter has quickly become a reader's favorite. **Harriet Klausner** **Kurzbeschreibung** From highly acclaimed and bestselling author Margaret Evans Porter, the second novel in The Islanders Series a story of longing, love, and linen.
