**Von Samantha James : The Seduction of an Unknown Lady** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Seduction of an Unknown Lady:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Madness and SeductionVon Helen HancoxThe cover of this book has a comment from author Lisa Kleypas, "A remarkable writer". This book was a pleasant enough read but hardly remarkable - in fact it seemed to bear a lot of similarities in

plot and character to many other books in this genre. However, as a light read for those who like historical romance, it's a reasonable enough attempt. Fionna Hawkes is living a quiet life as the owner of a bookstore in London. She has two secrets, one about the source of her money and the other that her mother is mad. When Fionna is noticed by Lord Aidan McBride who begins to try to woo her she knows nothing can come of it - how can a duke's brother get involved with a woman who has madness in her family. Aidan isn't so easily turned away from his attempts to get close to Fionna, however, as he has his own demons to confront and he finds Fionna is a woman unlike any other. But as they become better acquainted they discover that someone seems to be stalking Fionna and that someone may well be dangerous. The bulk of this story consists of the interactions between Aidan and Fionna, Fionna trying to resist him and Aidan trying to get her to trust him. Fionna vacillates between encouraging him and trying to get him to leave her alone and this takes up a large portion of the book. The threat of the stalker is really a very minor part of this story, dealt with rather quickly, and the couple of twists in the plot were all predictable quite a long way in advance. However it's reasonably written and, despite a few historical glitches, feels comfortable in the world of foggy London of the 1850s. Originally published for Curled Up With A Good Book, curledup.com. Helen Hancox 2008

Kurzbeschreibung Seduction is something Fionna Hawkes knows nothing about. So when she encounters a sexy stranger on a moonlit street, her first instinct is to defend herself against her darkly handsome suitor. But letting go of suspicion and allowing herself to fall for Lord Aidan McBride brings even greater danger. In his eyes, she glimpses a powerful passion she longs to fulfill. In his arms, she aches with the secret she longs to unburden. A secret that could cost her her livelihood and her life. Aidan could never resist a mystery, especially one as mesmerizing as the lovely Miss Hawkes! Drawing her into the shelter of his embrace, he won't rest until he convinces her to reveal everything. Braving the danger that stalks Fionna at every turn, Aidan is determined to defend her and just as determined to claim her as his own. Among her favorites in those days were the Trixie Belden and Cherry Ames series of books. She still loves a blend of mystery and romance, and, of course, a happily-ever-after ending. The award-winning, New York Times and USA Today bestselling author of many romances and one novella, her books have ranged from medieval to Regency.
