**Von Linda Winstead Jones : The Seduction of Roxanne (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Seduction of Roxanne (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Linda Jones pens another masterpiece! Von Julie Shininger... Cyrus' struggles with his memories of the war and recurring nightmares, combined with his honesty and code of justice, endeared him to this reviewer. He cannot express his love for Roxanne due to his feelings of guilt over her husband's death as well as the belief that his scarred face could only

remind her of the war and the pain she has suffered. When she sets her cap for his bumbling deputy, Cyrus rushes in as matchmaker, believing Calvin will help Roxanne heal her wounded heart. Ms. Jones has written yet another heartwarming story, this time in the tradition of Edmond Rostand's *Cyrano de Bergerac*. Set in 1868 Texas, this story combines an unforgettable hero and heroine, colorful secondary characters and plenty of sparkling wit to leave the reader smiling for days. Well worth a trip to the bookstore for this one!

**Kurzbeschreibung** After the War Between the States, Cyrus Bergeron returned to Paris, Texas, hoping to hide the pain and the scars of his service. He settled into his new place as sheriff of Paris, quietly keeping the peace in the small town. Roxanne Robinette was a beautiful young lady ripe and ready for marriage. Convinced that she would find true love, Roxanne was delighted and a little frightened by the arrival of the beautifully written letters, all proclaiming love for her! Who could be their author? She suspected the sultry Calvin Newberry, the new sheriff's deputy who had caught the eye of every lady in town. But was it too much for Roxanne to dream that behind the handsome face and virile body was the heart of man she could spend her life with . . . Roxanne was too young to realize that when something seems too good to be true, it probably is . . .
