**Von Karen Hawkins : The Seduction of Sara** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Seduction of Sara:

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Weiter so!!!Von Ein KundeEs ist mein erstes Buch von Karen Hawkins, aber es bleibt garantiert nicht mein letztes. Hawkins

versteht es, interessante Charaktere zu zeichnen und das erstreckt sich auch auf die Nebenfiguren. Nick ist ein Held wie ich ihn mag: Abgründig, sensibel und umwerfend. Sara ist nicht zu beneiden - fünf dominante Brüder und sie kämpft vor allem um ihre Unabhängigkeit und um einen Mann, der ihr alle Möglichkeiten dazu tut. Es ist klasse zu lesen, wie sich Nick in die Heldin verliert und sie ihr Herz wieder öffnet. Trotzdem bleibt die Heldin doch ein wenig blaue - vielleicht liegt es an Anna, ihre Freundin. Ich bin gespannt, wie es mit ihr und Sara's Bruder Anthony weitergeht. Also, weiter so.

**Kurzbeschreibung** Sara Lawrence is happy to be a young widow, but her brothers insist on marrying her off again. The solution? Sara asks Nick Montrose, the notorious Earl of Bridgeton, to teach her how to ruin herself, thus rendering herself unmarriageable. Envisioning the day when the luscious Sara winds up in his bed, Nick is all too happy to oblige-but when he sees her "practicing" her lessons on other men, he's inexplicably enraged. Then comes the day Sara's brothers catch her and Nick in a compromising position-which leads to a speedy marriage neither wants. Can the love they don't recognize find a way through their warring desires? Beautiful young widow Sara Lawrence has vowed to foil her brothers' plans to marry her off again. Her first marriage was a disaster and she's determined to pick a biddable husband who will leave her to her own devices. But her exasperating, adoring, and interfering five older brothers are determined to protect her. Sara is just as determined to choose her own husband, but possible candidates are few in Bath--until the scandalous Nicholas Montrose, the Earl of Bridgeton, arrives. Nicholas takes one look at Sara and wants her in his bed, but she clearly desires marriage, and wedded bliss is not in Nicholas's plans. Furthermore, Nicholas has set his sights on establishing respectability, while Sara doesn't care a fig if she scandalizes society. Despite their differences, he can't resist the lovely Sara and agrees to aid her in her search for a pliable husband. Sara's brothers are irate when they realize that Nicholas is squiring Sara about town, and when they catch the two in a compromising position, they demand that they marry. Will Nicholas give up his rakish ways for Sara and, even if he will, is Sara willing to marry a man whom she's sure will be possessive and worse, will surely endanger her vulnerable heart? Author Karen Hawkins has a way with witty repartee and this fast-paced battle of the sexes is Regency romance at its best. There's nothing quite so much fun as a tale of a strong-willed woman taming a bad-boy hero. Don't miss this one. --Lois Faye Dyer.com Beautiful young widow Sara Lawrence has vowed to foil her brothers' plans to marry her off again.
