**Von Janet Chapman : The Seductive Impostor (Puffin Harbor)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Seductive Impostor (Puffin Harbor):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Great book!Von Ein KundeIn Puffin Harbor, Maine, Rachel Foster is unhappy to learn that the owner of Sub Rosa, the seaside mansion she and her father designed, is coming to take up residence. Rachel knows that the mansion is the

place where tragedy ended in the murders of her mother and their parents' best friend by their father who committed suicide right afterward. However, she learns that her father and his former pal had been art thieves stealing millions and her dad has left it up to her to rectify the situation anyway she wants. The new owner Keenan Oakes and his five male disciples arrive as Rachel sneaks into the building. He catches her, but she temporarily escapes. Kee forces the issue of Rachel staying with him and his men allegedly to help them open up the state of the art technological house, but in reality he wants to keep an eye on her and not just because he does not trust her. As Rachel and Kee fall in love, he has kept secrets from her while she fears that once he learns her deepest concerns involving her father he will end their relationship. This is an engaging romantic suspense that has several late surprising twists that will keep readers guessing on who did what to whom. The story line is at its best when Kee and Rachel battle even as they fall in love with one another.

Von S. Fischer Rachel Foster used to be an architect working with her father. Their greatest achievement was a villa at the coast of Maine, Sub Rosa. But then her parents and Sub Rosa's owner were found shot. Her father had obviously found his millionaire friend and wife in bed and killed first then and himself. At that point Rachel gave up her former job and stayed away from men because she never wanted to feel as passionately as her father had. Three years later, Rachel is confronted with her past when the heir and new owner of Sub Rosa, Keenan Oakes, moves in with some friends and needs her help to deal with the unusual high-tech house. What's a lot worse is that she finds out that her father and Sub Rosa's former owner were involved in art smuggling. Keenan catches her sneaking into the house to get rid of some stolen works of art that had been given to her and her sisters as gifts, and he doesn't let her off the hook, especially since there's a strong attraction between them. But the art smugglers are still active and Keenan and Rachel are in great danger. Will Rachel be able to overcome her fears and find happiness with Keenan? What I really like about Chapman's books is how warm-hearted and humorous they are, and that's the case here, too. The suspense is interesting, the romance is great and so are the characters, including the supporting cast. I enjoyed this book a lot and would definitely recommend it. It might also be interesting to know that Rachel's sister and one of Keenan's friends are the leading characters in 'The dangerous protector. The Dangerous Protector

Von Lisa Caroline Wer die anderen Bcher von Janet Chapman mag, wird auch von dem hier begeistert sein.

Kurzbeschreibung The first in a dazzling duo of romances featuring two sisters from the ruggedly beautiful Maine coast...and the men who sweep them away. Rachel Foster wishes Sub Rosa -- the seaside mansion she helped her father build and the scene of a terrible tragedy -- would crumble into the sea. But Keenan Oakes, Sub Rosa's new owner, is moving in and stirring up the dark secrets of the cliff-perched manor.... Now, in the heat of a sizzling attraction, can Rachel clear her family's name while risking her heart on Keenan...and on a passionate love like nothing she's ever known? From Booklist Architect Rachel Foster has spent the last three years living in the shadow of the mansion Sub Rosa on the Maine coast. She loves the building she helped her father design and build, but it is the place where her father murdered her mother and the owner in a fit of jealousy and then turned the gun on himself. Now the building is coming to life as a new owner moves in, and Rachel must act quickly to return stolen items to the house. During her clandestine adventure, she meets the new owner, Keenan Oakes, who arrives with an entourage of tough-looking associates and a pet wolf. He needs Rachel to help open the house and search for its treasures. She agrees so that she can secretly return the stolen treasures, but she can't seem to distance herself from the virile owner who unleashes her passionate nature as the danger surrounding them increases. Chapman delivers an enjoyably sensual and suspenseful romance. Patty Engelmann Copyright American Library Association. All rights
