Von Ronica Black : The Seeker (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Seeker (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. starts good....butVon Customerwhen I first started to read the first chapters, I thought "I'll have a nice time reading this book".....but in the middle of the story it was hard for me to finish it.....you could forsee the direction the autor was directing the characters.....I could tell whose "the bad guy, the good and how they will end up". the story could have

been better developed. Veronica Black is a good romance writer,..... I don't regret buying the book.
