Von Dinah Jefferies : The Separation before purchasing it in order to gage whether or not it would be worth my time, and all praised The Separation:

Kurzbeschreibung FROM THE NUMBER 1 BESTSELLING AUTHOR OF THE TEA PLANTER'S WIFE The Separation by Dinah Jefferies is a sweeping novel set in 1950s Malaya, about a mother searching for her daughters. What happens when a mother and her daughters are separated; who do they become when they believe it might be forever? 1953, the eve of the Cartwright's departure from Malaya. Eleven-year-old Emma can't understand why they're leaving without their mother; why her taciturn father is refusing to answer questions. Lydia arrives home to an empty house - there's no sign of her husband Alec or her daughters. Panic stricken, she embarks on a dangerous journey to find them through the hot and civil-war-torn Malayan jungle - one that only the power of a mother's love can help her to survive. Dinah Jefferies was born in Malaya in 1948 and moved to England at the age of nine. She has worked in education, once lived in a 'rock 'n roll' commune and, more recently, been an exhibiting artist. She spends her days writing, with time off to make tiaras and dinosaurs with her grandchildren. The Separation is her first book.
