Kurzbeschreibung Erotic short story by Heroine L. Jackson In the Salon Noir, an imaginary space in the world of Heroine L. Jackson, the author lets her actors and imaginations run wild and barely shies away from a perversion. She mixes fiction with real experiences and leads through the labyrinths of sexual debauchery of a big city. The series the servants of the Salon Noir provides deep insight into the various forms of sadomasochism, dominance and submission, and into all other sexual misconduct. The reader is brought to a climax without hesitation and becomes the voyeur in the play with fire.
