**Von Sara Danvers : The Seven Devils (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Seven Devils (English Edition):

that some aspects could have been better portrayed, described or related. the pacing is sometimes a bit lax but not necessarily dull. i find some of the relationships between the characters unrealistic, ok wrong term to use in paranormal story so maybe the term improbable is more appropriate. i hope the author can iron out some of the kinks in the sequel. i hope this review doesn't offend as i do look forward to finding out more how the story is taken further.0 von 0 Kunden fanden die folgende Rezension hilfreich. Leichte Lektüre Von Kindle-Kunde Ich bin an dieses Buch mit wenig Erwartung gegangen und ich wurde nicht enttäuscht. Es hat mir gut gefallen und ich wollte oft nicht aufhören zu lesen. Eine paranormale Liebesgeschichte, die zwar oft (vor allem zu Beginn) an Twilight erinnert, aber schnell etwas eigenständiger wird.0 von 0 Kunden fanden die folgende Rezension hilfreich. Good fiction story Von Margit I enjoyed reading this fiction story book very much. The author does have much phantasy and packed it very well. Much fiction, funny reading, but also sometimes serious - good mixture

Kurzbeschreibung After nearly being drowned by her alcoholic father, 17-year-old Ellen, her mother, and her older brother move across the state to start over. Ellen soon meets Neil, a gorgeous loner with a bad reputation. Her classmates warn her to stay away, but he seems to be the only one who understands her. Besides, the rumors about Neil are too far-fetched to be believed. When she is threatened by Derrick (a jealous classmate) it becomes clear that there is more to Neil than meets the eye. In this sexy page-turner, Ellen must discover Neil's dark secrets and learn to stand up for herself before the plot hatched against her unfolds. Contains sexual content, language, and violence. This book is recommended for ages 17 and up. Look for the sequel coming soon!
