Von Lori Wilde : There Goes the Bride (Wedding Veil Wishes Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised There Goes the Bride (Wedding Veil Wishes Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. though predictable it is a pageturnerVon AnjaAs one surely can assume the end from the very beginning the story still is wonderfully told. Just as it is possible with everyone these two characters are in love but are working hard to spoil their love with their doubts and fears. Fortunately the whammy of course can not be overlooked and Delaney and Nick find their way to live their love. Just a nice story to read and once again get a reassurance that love conquers all and heals all fears. Great !

KurzbeschreibungLegend claims this antique Irish wedding veil can grant your heart's deepest desire. But be careful what you wish for...The moment Texas socialite Delaney Cartwright touches the veil, she knows she can't go through with her wedding. And it's not just because she envisions a stranger's dark eyes and irresistible lips the second her fingers hit lace. But she can't simply call the whole thing off. The nuptials to her nice, predictable childhood friend are the social event of the season (not to mention that her mother would freak). To fan the flames of this dying ember, Delaney abducts her fiancé for a night of passion...and grabs the wrong guy! It isn't her fault that Detective Nick Vinetti of the oddly familiar eyes and lips has crossed her path--and looks game for all kinds of sexy fun.Now Delaney hatches an outrageous plan to get out of marrying: she'll hire her own kidnapper. With an altar to avoid and a cop to dream of, this runaway bride is hoping a little Irish magic will unveil the true destiny of her heart.From BooklistSeasoned romance writer Wilde offers her take on the runaway-bride tale. Texas oil heiress and interior designer Delaney Cartwright has always followed her mother's wishes, but now she is weeks away from her extravagant wedding to Dr. Evan Van Zandt and plotting her own kidnapping. Her fiancé may be her perfect society match, but it is police detective Nick Vinetti, the grandson of a client, with whom Delaney pictures herself walking down the aisle. When she finds a beautiful veil in a consignment shop, the owner warns her it will deliver her one true wish--even if she won't admit what that is. This is the first in a planned series about the enchanted veil working its magic on a circle of friends, and Wilde definitely leaves readers anticipating the next installment. The opening tale is predictable but satisfying: although Delaney ends up with the man she truly loves, it takes a wild ride to get there. Aleksandra KostovskiCopyright American Library Association.
