Von Rita Herron : There Goes the Groom (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised There Goes the Groom (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. nice readVon PipidenfreundI like Herrons writing, and this book is no exception, it is a light, enjoyable read, BUT:why is the heroine so dumb?The heroine Marci is a waitressing shoefetishist who wants to marry a rich respectable guy. At her wedding day, the police (and Detective love interest) tries to put her wannabe-groom in jail because of

deception. But he runs, and the police thinks she was part of his scheme (Naturally, she was not). What is following, is a typical story of "Get the deceiver!" and Marcis trying to prove her innocence, but in the weirdest, dumbest Benni Hill style. After his escape, and seeing that her groom cheated not only her out of her own money, but some grannies out of their life savings, too, she tries to speak with him, and wants to give him hidden money (supposedly for an escape), because it could be that he was cheated on..... yes well. And the nice hunk of a detective is even after that convinced she's not dumb as a rock... (he repeatedly tells himself his not thinking with his la..di..da, but well, I'm not convinced.) It is a book like a chick flick (and a dumb one.) Enjoy it, forget it, let your brain go for a walk while reading.

Kurzbeschreibung OVERVIEW: A jilted bride is arrested at her wedding when her fianc dumps her and goes on the lamb! Kurzbeschreibung OVERVIEW: A jilted bride is arrested at her wedding when her fianc dumps her and goes on the lamb! ber den Autor und weitere Mitwirkende USA Today Bestselling author Rita Herron fell in love with books at the ripe age of eight when she read her first Trixie Belden mystery. Although she wanted to be a writer then and actually scrawled her first novel at age twelve, she didnt think real people grew up to be writers, so she became a kindergarten teacher instead. Ten years ago, she traded her classroom storytelling and puppets for a computer and now writes so she doesnt have to get a real job. Having sold over fifty books to date, she enjoys spinning spine-tingling romantic suspense tales filled with murder, mayhem, and spicy romance as well as sexy romantic comedies. Rita Herron currently writes romantic suspense for Harlequin Intrigue and shes writing dark, gritty romantic suspense thrillers for Montlake. If you want to know more about Rita or have a question for her about her books, or writing in general, email Rita and shell be happy to answer your question.
