Mchte man immer wieder lesenVon StefanieInhalt:Seit Mike sie und die Stadt vor acht Jahren berstrzt verlassen hat, hat Sara nichts mehr von ihm gehrt. So wei Mike auch nicht, dass er und Sara einen gemeinsamen Sohn haben. Deshalb ist Sara auch sehr geschockt als Mike, der wegen des Todes seines Vaters wieder in der Stadt ist, auf einmal vor ihr in

ihrer Bckerei steht. Mike, der in den vergangenen acht Jahren als Polizist in Chicago gearbeitet hat, wird von seinem Chef gebeten seinen Aufenthalt in Green Bay zu nutzen, um einen anderen Polizist, der in Drogenmachenschaften verwickelt ist, zu bewachen. Und ausgerechnet mit diesem Polizist versucht Saras ltester Bruder Garrett, ebenfalls Polizist und sich nicht im Klaren ber die Nebenverdienste seines Kollegen, Sara zu verkuppeln... Meinung: Der erste Teil der Jamison Serie von Donna Marie Rogers dreht sich um Missverstndnisse und die berhmte zweite Chance, dazu kommen ganz viel Romantik und eine ordentliche Portion Spannung. Die Charaktere sind allesamt mehr als sympatisch und liebenswert. Die Familie Jamison hlt zusammen wie eine Faust und Mike tut alles nur menschenmgliche um diese, und vor allem seine eigene kleine Familie zu schtzen. Ich hoffe auch die anderen Teile der Jamison Serie lesen zu knnen. Bis jetzt sind in folgender Reihenfolge erschienen: There's Only Been You Meant To Be Foolish Pride 0 von 0 Kunden fanden die folgende Rezension hilfreich. schtig machend Von Nintschi Ein ganz tolles Buch und bin schon gespannt auf die Fortsetzung die Autorin erinnert and Lisa Kleypas und Nora Roberts. kann nur sagen das Buch war innerhalb eines Tages ausgelesen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. no surprises !! Von Ayca Kiratli An ordinary romance. There is nothing unexpected and no mysteries. I find it boring. But if you read before sleeping it is a good read. It doesn't take much time to fall asleep.

ber den Autor und weitere Mitwirkende USA Today Bestselling author Donna Marie Rogers inherited her love of romance from her mother. Romance novels, soap operas, Little House on the Prairie—her mother loved them all. And though it wasn't until years later Donna would come to understand her mother's fascination with Charles Ingalls, Donna's love of the romance genre is every bit as all-consuming. Donna's books have received rave reviews and fared in numerous contests, including the Aspen Gold, EPIC Awards, and her chapter's own Write Touch Readers Award. A Chicago native, Donna now lives in beautiful Northeast Wisconsin with her husband and children. She's an avid gardener and home-canner, as well as an admitted reality TV junkie. Her passion to read is only exceeded by her passion to write, so when she's not doing the wife and mother thing, you can usually find her sitting at the computer, creating exciting, memorable characters, fresh new worlds, and always happily-ever-afters.
