Steampunk bisexual threesome goodness!Von LottaAnd all things wonderful by a brilliant writer in an intriguing series. This is the second book I read by this author and in the same series, and I am blown away. For serious. I loved this story so much, I read it in one sitting. I was really moved by it, but I also found it really hot. This is so my kind of story, and I will promptly buy the other books in this series, and most probably other books by the same author as

KurzbeschreibungA Prosperity Story -- available FREE on the publisher's websiteAn instructive story in which vice receives its just reward.Inspired by true and scandalous tales of the Gaslight aristocracy, we present the most moral and improving tale of Lady Rosamond Wolfram.Weep, reader, for the plight of our heroine as she descends into piteous ruin in the clutches of the notorious Phlogiston Baron, Anstruther Jones. Witness the horrors of feminine rebellion when this headstrong young lady defies her father, breaks an advantageous engagement, and slips into depravity with a social inferior. Before the last page is turned, you will have seen our heroine molested by carnival folk, snubbed at a dance, and drawn into a sinful mnage a trois by an unrepentant sodomite, the wicked and licentious Lord Mercury.Reader, take heed. No aspect of our unfortunate heroines life, adventures, or conduct is at all admirable, desirable, exciting, thrilling, glamorous, or filled with heady passion and gay romance.* * * * *This ebook includes the complete novella, along with sneak peeks of other stories in Alexis Hall's Prosperity universe.Word count: 40,000; page count: 308
